Dear Lameia Solomon,

Congratulations! I am pleased to inform you that PUBLIC SECTOR ACCOUNTABILITY & RESOLUTION SERVICES, LLC has been approved for the following U.S. Small Business Administration (SBA) certification(s):

- HUBZone Program
- Economically Disadvantaged Women-Owned Small Business (EDWOSB)
- Women-Owned Small Business (WOSB)

PUBLIC SECTOR ACCOUNTABILITY & RESOLUTION SERVICES, LLC is eligible for HUBZone / EDWOSB / WOSB contracts as of the date of this letter and will be identified as a certified HUBZone / EDWOSB / WOSB program participant in SBA's Small Business Search within 2 business days.

Please check MySBA Certifications for your certification renewal date. If you have any existing certifications, your date of first certification

renewal will be adjusted so that all renewal dates are in alignment. This aligned date may be less than 3 years from the approval date of your latest certification(s).

Responsibilities

The information below sets forth requirements related to your business' continued eligibility and its responsibilities as a certified program participant:

- **Reporting Changes:** You are required to notify SBA through the system, [MySBA Certifications](#), of any changes to your business that could affect its certification eligibility. Please refer to the attached supplemental pages for more details and examples.
- **System for Award Management ([SAM.gov](#)):** You must keep the business' SAM.gov profile records up-to-date and active for the business to receive benefits from our Programs (i.e., to be identified by contracting officers as eligible to be awarded small business set-aside contracts and to be paid under any such contracts). GSA requires that you validate your business' SAM.gov information at least annually or your SAM.gov registration will become inactive. If you need assistance with SAM.gov, please go to their Help Desk at [Federal Service Desk](#).
- **SBA's Small Business Search or SBS ([search.certifications.sba.gov](#)):** A SBS profile is automatically created when your SAM.gov registration has been fully validated and activated by SAM.gov. You are no longer able to access the Supplemental Pages directly from SAM.gov. Once you are visible in SBS, you will be able to add supplemental information to enhance your SBS profile by signing into SBS. If you need assistance in accessing and updating the business's SBS profile, instruction can be found at [SBS Help Guide](#) which can be accessed through the link at the top of the SBS page.
- **Notices from SBA:** You are responsible for responding to notices from SBA, including but not limited to notices regarding certification renewals, eligibility reviews, protests, proposed decertification and termination actions, and recertification requirements. All SBA Certification Programs send such notices to the business' email address that has claimed the business in [MySBA Certifications](#). If the business fails to respond to these notices, SBA will propose the business for decertification or termination and may subsequently decertify or terminate it from participation in SBA Certification Programs. Therefore, it is critical that you keep the business' SAM.gov and MySBA profiles current, including listing an active email address for contacting the business, and check your email's SPAM folder to make sure that you are receiving emails from SBA.

- **Contracting Requirements:** You are required to comply with limitations on subcontracting requirements and nonmanufacturer rule when performing any small business set-aside contracts (see 13 CFR 125.6)
